

March 17, 2020

Dear Patients and Families:

Dentistry of Wisconsin considers itself to be family oriented and a community minded practice. We feel that we make our decisions with the best interests of our great patients and our team in mind.

We have taken to heart the recommendations set forward by the American Dental Association experts and at this time have made the decision to temporarily close our office for all procedures that are non-urgent until April 3rd, 2020. We will be available for all dental emergencies. Please let us know if there is anything, we can do for you, by calling our office at 920.887.2112 or 920.324.3881.

If you have any appointments scheduled during this time, we will be calling you to reschedule. We apologize in advance for any inconvenience this may cause.

Dentistry of Wisconsin feels it is their duty to do their part in protecting our communities. It is our goal to help lessen the spread of the COVID- 19 Virus. We will continue to monitor the COVID-19 guidelines and keep you updated when necessary.

Thank you for your trust and please know that Dentistry of Wisconsin is here for you if an emergency arises and we look forward to seeing you all again when the Corona Virus threat trends downward.

Sincerely,

Dr. Derek Metzger

Dr. Nathan Truckenbrod
